The Embodiment of Fates

Park Sung Woo  
AUTHOR

Chapter 6  
Dandy and the Beast -3

Huff

Huff

Why...  
did you...

Loyalty...

You...

Thought  
I had no loyalty  
towards you...

I just  
wanted to...

prove  
to you that  
I wasn't...

...!!

Just...!

because  
of what I said  
needn't...!

Why  
does one like  
you all...

take others' lives just  
because they've failed  
to keep their loyalty...

I'm sure it's because  
the betrayal you felt  
was unbearable...

Then...

I want you to know... that there are people who will keep their loyalty to you no matter what...

So...

please do not suffer any longer...

...

Huff

Huff

Because she  
doesn't possess any Ki,  
the characteristics of Blood  
Acts are already showing...  
Not only that, the  
temperature...

She won't last  
long at this rate.

She's going  
to die...!!

So please...

do not suffer  
any longer...

To think that  
she worried about  
others...

while her own  
life is in danger...

Who is  
this woman...

...

Yes...

How can I  
choose to betray her  
loyalty towards me...

when I've spoken  
nothing but loyalty while  
taking lives...!!

I must  
save her life!

GRIP

In order  
to do that...

Brother~

Please...

Listen  
to us~!!

Listen  
to what?!!

How can I speak  
to you when  
you've just not and  
let Hun-Ryang  
doom her fate?!

Brother,  
we really have  
nothing to say.

but it's  
suicide to go  
back there

Brother, you don't  
have any methods  
of fighting back!!

It doesn't  
matter if I can  
fight or not...

As a parent, just  
knowing that my  
daughter is in  
danger...

how could  
I sit still and  
watch idly?!

By the looks of it,  
you're having an awfully  
hard time fulfilling  
my request

Ah...

I didn't think  
you'd come all  
this way ...

We'll fulfill your  
request soon, so please  
give us more time...

Haha... I'm not  
here to bother you, so  
do not worry

It's just that I wasn't  
very hospitable the last  
time you visited me,  
so I came here

I've heard that  
you've lost most of  
your henchmen on  
your last visit.

so I wanted to  
lend you some of  
my own elites ...

Ah...  
Thank you  
very much,  
but...

Why go  
through all the  
trouble...

I need to obtain  
the Ice Orb Cloak  
in my hands no  
matter what.

It was painful  
knowing that I could  
do nothing but watch  
idly while it was right  
under my nose.

Yes... That's  
the same for  
us, but...

If Hyeol  
Juk-ja didn't  
report back...

It must mean  
'he' defeated  
him already...

Did he complete  
the Blood Arts despite  
his illness...?

If that's the case...

I need to  
test him.

With my  
elites...!!

I'll stabilize the heat  
and the bubbles with  
the Ice Orb Close...

Passing through  
her Myung-bloem point,  
I'll slowly infuse my own  
Ki to heal her...

I can save her...!!

OPEN

What  
is...

the  
meaning  
of this...?

Damn...  
I can't speak while  
I'm infusing my Ki  
into her...

Why now of  
all times...

You  
bastard...

What have  
you done to  
my daughter...

What have  
you done to  
my daughter...

You bastard!!!

What're you  
lot doing!!

Everyone  
attack him  
simultaneously!!

Just a little more....

Just a little more and I can save this woman....

Just a little more....
